Current debates on IHL Civilians are the main victims of IHL violations in today's conflicts. Contemporary conflict brings challenges for IHL in a number of areas, such as new technologies and the classification of conflicts. We must understand and respond to these challenges if IHL is to maintain its protective function.

Similarly, international humanitarian law recognizes that detention for imperative reasons of security, without criminal charges, might be necessary, but provides that such detention must end as soon as the reasons for it cease to exist. Interpreting if and when a given situation amounts to war is one of the main challenges facing humanitarian law.
