Let's Get Real or Let's Not Play: Transforming the Buyer...  
Zig Ziglar said years ago that, "You can get everything you want in life, if you help enough people get what they want." And that's what Let's Get Real or Let's Not Play is about. It's a book for people who want to escape the feeling of "selling", and embrace the notion of helping the client solve their problems; the problems that matter to them, in a way that resonates with their larger objectives.

Let's Get Real or Let's Not Play - Actionable Books...  
Let's Get Real or Let's Not Play = spending your time as wisely as possible, not wasting your time or your prospect's by going through the motions of a broken sales process designed to maximize short-term profits instead of customer satisfaction (leads to long-term profits).
