Living in medieval castles wasn't just about indulging in non-stop feasts, being entertained by jesters, and watching flamboyant jousts. Castle life, even for the upper class, would not have been all that glamorous. Dark and gloomy rooms, lit and heated by suffocatingly smoky fires, were par for the course.

What Life Was Like In Medieval Castles - Ranker

In the early Middle Ages, when few castles had large permanent garrisons, not only servants but military and administrative personnel slept in towers or in basements, or in the hall, or in lean-to structures; knights performing castle guard slept near their assigned posts. Later, when castles were manned by larger garrisons, often mercenaries, separate barracks, mess halls, and kitchens were built.

Life in a Medieval Castle

This short book on life in a medieval castle centers around the history of one fortress on the border between England and Wales, and then relates that story to castles across Western Europe. The passages are divided into chapters on all facets of castle life, and are written in a clear, almost "novel" like way.
