Victorian architecture is a series of architectural revival styles in the mid-to-late 19th century. Victorian refers to the reign of Queen Victoria, called the Victorian era, during which period the styles known as Victorian were used in construction. However, many elements of what is typically termed "Victorian" architecture did not become popular until later in Victoria's reign, roughly from 1850 or 1850. The styles often included interpretations and eclectic revivals of historic styles. The n

Strong historical origins include steep roof pitches, turrets, dormers, towers, bays, eyebrow windows and porches with turned posts and decorative railings. Ornamentation and decoration are used along with shingles or narrow-lap wood siding. These homes are mostly two-story in design. Many people looking at Victorian house plans are also interested in our larger cottage house plans.
